

2026

SPIRITUS CHRISTI
MENTAL HEALTH CENTER
PRESENTS

RIVERWALK

10.25.2026 @ 11:00 AM

Spiritus Christi Mental Health Center has been providing mental health care, peer support and other wellness services free of charge to uninsured and underinsured youth and adults from Greater Rochester for over 25 years. When people cannot access mental health care, problems often grow and life becomes hard to manage. Unemployment, debt, family violence, homelessness, physical illness, suicide and incarceration can often be prevented by timely care.

Mental healthcare is a human right and people need support more now than ever!

Invite friends, family & co-workers to sponsor you. They can donate online, by cash or by check.

Join us for the walk and stay for the family crafts, music and luncheon!

Can't walk on October 25th with us? Choose your own date and route, collect donations from your sponsors, and help us from afar!

Go to scmentalhealth.org or call (585) 325-1186 to register & learn more!
